2025 ANNUAL QUALIFIED SETTLEMENT FUND (QSF)

EXPENDITURE REPORT

For Local Governments

7/1/23-6/30/24

BACKGROUND AND PURPOSE

Incorporated in May 2023, the West Virginia First Foundation (WVFF) is responsible for distributing 72.5% of the state's opioid settlement funds from the Qualified Settlement Fund (QSF). The remaining funds are allocated from the QSF as follows: 24.5% to Local Governments and 3% to the Office of the West Virginia Attorney General. The funds allocated from the QSF to the Local Governments and Attorney General do not pass through WVFF; they flow directly from the QSF to the Local Governments and Attorney General. WVFF **does not oversee** how Local Governments use their 24.5% share; however, WVFF is responsible for collecting data and reporting those expenditures in accordance with the Memorandum of Understanding.

$73.5 million was distributed directly to Local Governments from the QSF in December 2023 (reported here). An additional $24.5 million was disbursed in January 2025, which will be reported no later than April 30, 2026.

Prepared in accordance with Section C(13) of WVFF's Memorandum of Understanding (MOU), this first-of-its-kind Annual QSF Expenditure Report reflects how Local Governments within Regions used their direct share of Opioid Settlement Funds from the QSF during the previous fiscal year. This report is intended to serve as a living resource, evolving alongside community needs and data quality.

C(13) Each Local Government shall submit an annual financial report to the Foundation no later than April 30 of each year specifying the amounts spent on Approved Purposes within the Region during the previous fiscal year. A report for each Region shall be prepared no later than thirty days thereafter. Each Region's report shall incorporate the information disclosed in each Local Government's annual report generated pursuant to Section B(4), above. Each Region's report shall specify (i) the amount of Opioid Funds received, (ii) the amount of Opioid Funds disbursed or applied during the previous fiscal year, broken down by categories of Approved Uses (indicating the name of the recipient, the amount awarded, a description of the use of the award, and disbursement terms), and (iii) impact information measuring or describing the progress of the Approved Use strategies.

This report **does not** include funding distributed by WVFF, a private, nonprofit organization. Instead, it summarizes data submitted by Local Governments as required by the MOU, detailing their spending on Approved Purposes. Each Local Government was responsible for submitting its annual financial report to the Foundation by April 30, 2025. This regional summary incorporates all such submissions and was compiled within the thirty-day window outlined in the MOU. The report includes:

- The total amount of Opioid Funds received directly by Local Governments in the Region
- A breakdown of how those funds were spent, categorized by Approved Uses
- Award recipient details, including amounts, descriptions of use, and disbursement terms
- Impact information highlighting measurable outcomes and community benefit

WVFF COMMUNICATION AND OUTREACH EFFORTS

In an effort to support compliance with Section C(13) of the MOU, WVFF implemented a multi-pronged outreach strategy to ensure that all Local Governments were aware of their annual reporting obligations.

To facilitate this process, WVFF built and launched WV SUMMIT (Settlement Utilization and Monitoring for Measurable Impact and Transparency), the reporting tool used to collect, track, and manage expenditure data from Local Governments across the state. WVFF then issued:

- **Two (2) physical letters** that were mailed to each county and municipality. The first, sent on 4/3/25, outlined the April 30 reporting deadline, information on a virtual webinar session, and reporting expectations as outlined in the MOU. The second, sent on 5/23/25, reiterated the same messaging to those that had not yet submitted their reports.

- **A comprehensive user manual,** detailing step-by-step instructions on how to access, navigate, and complete required reporting within WV SUMMIT. The manual included annotated screenshots, troubleshooting tips, FAQs, and guidance on each reporting field.

- **A virtual webinar session** with multiple date/time options, including a recorded offering, was held to walk Local Governments through how to access and use WV SUMMIT, clarify expectations, and answer questions in real time. These sessions occurred on 4/4/25 and 4/9/25.

- **A follow-up email**, sent on 6/16/25, that reiterated the requirements and provided submission instructions and contact information for support.

- **Personal follow-up phone calls** made by Board Members, Executive Director - Jonathan Board, and Chief Financial Officer- Anthony Woods**,** to Local Governments that had not submitted by the deadline, offering assistance and encouraging compliance. These calls were made during the week of 7/7/25.

Copies of the letters, email, WV SUMMIT user manual, and WV SUMMIT portal examples are included in the appendix of this report.

Looking ahead, WVFF, in partnership with the West Virginia Attorney General's Office, is developing educational content aimed at helping Local Governments better understand how to utilize their Opioid Settlement Funds and meet reporting requirements. This initiative will include training opportunities, technical assistance, and clear guidance on documenting expenditures and measuring impact in alignment with the Approved Purposes defined in the MOU.

If you notice any inaccurate information or data within this report, please contact finance@wvfirst.org so we can address and update it accordingly.

Expenditure Report

2025 Qualified Settlement Fund Expenditure Report

July 1, 2023 - June 30, 2024

City of Philippi

Generated on July 15, 2025

Report # 134

County: Barbour
Region: Region 4
Government Contact: Jeremy Drennen, City Manager

Did municipality/county report implementing internal controls or policies regarding opioid settlement funds?

Yes

Per State Auditor's Office requirements, did municipality/county open a separate bank account for opioid settlement funds?

Yes

What is the municipality/county's self-reported process for deciding how opioid settlement funds are disbursed and/or distributed?

City Council votes on all expenditures of the opioid settlement funds.

Amount Government Reported Received 7/1/23 - 6/30/24:	$62,513.00
Amount Government Reported Expended 7/1/23 - 6/30/24:	$0.00
Balance Government Reports Remaining 6/30/24:	$62,513.00

2025 Qualified Settlement Fund Expenditure Report

July 1, 2023 - June 30, 2024

Town of Madison

Generated on July 15, 2025

Report # 182

County: Boone
Region: Region 5
Government Contact: Steve Byus

Did municipality/county report implementing internal controls or policies regarding opioid settlement funds?

Yes

Per State Auditor's Office requirements, did municipality/county open a separate bank account for opioid settlement funds?

No

What is the municipality/county's self-reported process for deciding how opioid settlement funds are disbursed and/or distributed?

Our current process requires a vote by the city council before any funds are spent. The funds are used for law enforcement purposes.

Amount Government Reported Received 7/1/23 - 6/30/24:	$39,357.55
Amount Government Reported Expended 7/1/23 - 6/30/24:	$38,707.83
Balance Government Reports Remaining 6/30/24:	$99.00

Expenditure Details:

Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
Elite K-9 Inc	$194.95	Invest in infrastructure or staffing at government, law enforcement, non-profit agencies, to support collaborative, cross-system coordination with the purpose of reducing opioid misuse and over prescribing.	Vendor Payment	Odor detection for our K-9 unit for training purposes of Methamphetamine detection	Keeping our K-9 unit trained

The West Virginia First Foundation does not verify, validate, or audit individual submissions and is not authorized to direct how funds are spent by local government entities.

2025 Qualified Settlement Fund Expenditure Report

July 1, 2023 - June 30, 2024

Town of Madison

Generated on July 15, 2025

Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
Dynamic Range X1	$459.82	Funding for law enforcement officials to curtail the sale, distribution, promotion, or use of opioids and other drugs (including regional jail fees)	Vendor Payment	The decision to invest in this equipment stems from our commitment to enhance officer preparedness, tactical judgment, and public safety, particularly in high-stress, rapidly evolving situations involving individuals under the influence of opioids or other substances.The moving target system simulates dynamic, real-life scenarios that static range training cannot replicate. This includes unpredictable movement, variable speeds, and irregular patterns that reflect the behavior of suspects during foot pursuits, mental health crises, or encounters with individuals experiencing drug-induced psychosis or aggression. These situations often require rapid decision-making under pressure and a high degree of marksmanship control to avoid unnecessary use of force or harm to bystanders.	Expected Outcomes:Improved Officer Proficiency:Officers will develop better target acquisition skills, accuracy, and reaction time under stress. This directly translates into more responsible and precise use of force.Enhanced Situational Judgement:Realistic moving target training promotes critical thinking and threat assessment skills. Officers will be better prepared to distinguish between a threat and a non-threat—vital in drug-related encounters where behavior can be erratic.Increased Community Safety:As officers are trained in more realistic, dynamic environments, the risk of injury to both officers and community members during critical incidents is reduced.Support for De-escalation Training:Incorporating moving targets in training allows instructors to simulate scenarios that include shoot/no-shoot decision-making, helping reinforce de-escalation

The data on this page was submitted directly by local governments and reflects their self-reported use of settlement funds. The West Virginia First Foundation does not verify, validate, or audit individual submissions and is not authorized to direct how funds are spent by local government entities.

					techniques and the appropriate application of force.Accountability and Transparency:The use of advanced training tools demonstrates to the community that settlement funds are being reinvested to improve policing standards, reduce risk, and better serve residents impacted by the opioid crisis.
Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
KS State Bank	$38,603.78	Ensure appropriate resources for law enforcement to engage in enforcement and possess adequate equipment, tools, and manpower to address complexity of the opioid problem.	Vendor Payment	Purchase of 2023 Dodge Durango police vehicle	

Additional Notes / Remarks:

Municipality revised report to add additional details after initial report submission.

2025 Qualified Settlement Fund Expenditure Report

July 1, 2023 - June 30, 2024

Cabell County Commission

Generated on July 15, 2025

Report # 144

County: Cabell
Region: Region 5
Government Contact: Charles Walker

Did municipality/county report implementing internal controls or policies regarding opioid settlement funds?

Yes

Per State Auditor's Office requirements, did municipality/county open a separate bank account for opioid settlement funds?

Yes

What is the municipality/county's self-reported process for deciding how opioid settlement funds are disbursed and/or distributed?

The Cabell County Commission established a grant process and a portal for organisations outside of our local governments scope. These applications were reviewed and approved or denied by the Cabell County Commissioners. Agencies or departments such as Cabell County EMS, Quick Response Team, and Sheriff's Office were not required to submit an application, but rather provide a formal request letter for funding.

Amount Government Reported Received 7/1/23 - 6/30/24:	$2,725,135.42
Amount Government Reported Expended 7/1/23 - 6/30/24:	$501,731.40
Balance Government Reports Remaining 6/30/24:	$2,223,404.02

Expenditure Details:

Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
Cabell County EMS	$43,398.40	Provide funding for staff training, network programs, and services to prove the capability of government, law enforcement, community, and non-profit entities to abate the opioid crisis.	Direct Grant	This funding was provided to Cabell County EMS for the purchase of new radios needed for EMS staff operations. These radios support EMT, Paramedic, and Ambulance staff who regularly engage with individuals suffering from the opioid epidemic. This funding is meant to support the continuity of effectiveness of our EMS organization.	The need for functional communication is essential for the operations of EMS as they address those who may overdose or be suffering from the opioid epidemic.

The data on this page was submitted directly by local governments and reflects their self-reported use of settlement funds. The West Virginia First Foundation does not verify, validate, or audit individual submissions and is not authorized to direct how funds are spent by local government entities.

2025 Qualified Settlement Fund Expenditure Report

July 1, 2023 - June 30, 2024

Cabell County Commission

Generated on July 15, 2025

Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
Cabell County QRT	$125,000.00	Support the work of EMS systems including peer support specialists, and or other appropriate services.	Direct Grant	Funding provided to support the efforts of the Cabell County Quick Response Team to continue addressing the opioid epidemic in Cabell County.	The Cabell County Quick Response Team directly interacts with individuals by responding to overdose calls or contacting individuals after an overdose to offer treatment options.
Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
Cabell County Sheriff	$133,333.00	Ensure appropriate resources for law enforcement to engage in enforcement and possess adequate equipment, tools, and manpower to address complexity of the opioid problem.	Direct Grant	This funding was distributed to the Sheriff's Office mental hygiene orders. This funding was provided for the hiring of two deputies and two additional cruisers to conduct mental hygiene orders. This is due to the Cabell County Sheriff's Office being the only agency permitted by state code to address such orders.	Providing the necessary resources to address the high number of mental hygiene orders conducted by the Sheriff's Office.
Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
Lily's Place	$200,000.00	Support intervention, treatment, and recovery services	Direct Grant	Funding approved through a grant application process to Lily's Place for their residential treatment program. This program provides housing to soon-to-be or new mothers as they go through treatment.	Mothers are given the resources and care to reenter into society and raise their family.

2025 Qualified Settlement Fund Expenditure Report

July 1, 2023 - June 30, 2024

Fayette County Commission

Generated on July 15, 2025

Report # 104

County:	Fayette
Region:	Region 6
Government Contact:	Ruth Lanier

Did municipality/county report implementing internal controls or policies regarding opioid settlement funds?

Yes

Per State Auditor's Office requirements, did municipality/county open a separate bank account for opioid settlement funds?

Yes

What is the municipality/county's self-reported process for deciding how opioid settlement funds are disbursed and/or distributed?

Develop guidelines and priorities based on strategic goals with consideration of encompassing county needs; announce funding opportunity and invite initiatives for projects; evaluate and review all proposals, considering budget restrictions and timelines. Project leads present their initiative to the Commission via public meetings for transparency and evaluation. Decision made by consideration of public feedback, financial abilities, budgetary restraints, timeline and project viability.

Amount Government Reported Received 7/1/23 - 6/30/24:	$1,117,879.00

2025 Qualified Settlement Fund Expenditure Report

July 1, 2023 - June 30, 2024

Town of Glenville

Generated on July 15, 2025

Report # 83

County: Gilmer
Region: Region 4
Government Contact: Jeana Mims, City Clerk

Did municipality/county report implementing internal controls or policies regarding opioid settlement funds?

Yes

Per State Auditor's Office requirements, did municipality/county open a separate bank account for opioid settlement funds?

Yes

What is the municipality/county's self-reported process for deciding how opioid settlement funds are disbursed and/or distributed?

In Glenville, WV, our City Council hears all requests for opioid settlement funding. The Council evaluates each proposal based on community needs and how well it aligns with approved uses such as prevention, treatment, and recovery services. After careful review, the Council approves or denies each request accordingly. This process ensures that funds are used effectively and responsibly to combat the opioid crisis in our area.

2025 Qualified Settlement Fund Expenditure Report

July 1, 2023 - June 30, 2024

Hardy County Commission

Generated on July 15, 2025

Report # 80

County: Hardy
Region: Region 2
Government Contact: Wendy Branson, County Coordinator

Did municipality/county report implementing internal controls or policies regarding opioid settlement funds?

Yes

Per State Auditor's Office requirements, did municipality/county open a separate bank account for opioid settlement funds?

Yes

What is the municipality/county's self-reported process for deciding how opioid settlement funds are disbursed and/or distributed?

The Hardy County Commission reviews each proposal during a public meeting. Commissioners deliberate and vote on whether to approve funding for each request. Consideration is given to the project's direct or indirect impact on substance use prevention, treatment, enforcement, or community wellness. All approved expenditures are documented in the official meeting minutes and tracked for reporting and audit purposes to ensure compliance with settlement fund guidelines.

Amount Government Reported Received 7/1/23 - 6/30/24:	$256,562.63
Amount Government Reported Expended 7/1/23 - 6/30/24:	$183,545.05

Government Contact: Lori Nice, Finance Director

Did municipality/county report implementing internal controls or policies regarding opioid settlement funds?

Yes

Per State Auditor's Office requirements, did municipality/county open a separate bank account for opioid settlement funds?

Yes

What is the municipality/county's self-reported process for deciding how opioid settlement funds are disbursed and/or distributed?

City Council is determining how they would like the funds distributed. Discussions have been geared towards making grants available to non-profit organizations. These awards will be reviewed and made by the Council. Council is also considering making funds available for police use for a K-9 Unit as well as a social worker to respond to opioid related calls. We expect this decision to be made no later than June 30th, 2025. No plans have been made to spend funds before Council's approval.

2025 Qualified Settlement Fund Expenditure Report

July 1, 2023 - June 30, 2024

City of Ranson

Generated on July 15, 2025

Report # 43

County: Jefferson
Region: Region 2
Government Contact: Todd Wilt, City Manager

Did municipality/county report implementing internal controls or policies regarding opioid settlement funds?

No

Per State Auditor's Office requirements, did municipality/county open a separate bank account for opioid settlement funds?

Yes

What is the municipality/county's self-reported process for deciding how opioid settlement funds are disbursed and/or distributed?

Once the Council is ready to review funding requests, they will follow the standard funding request process used for expense approval: review requests in public meeting, confirm proposed use as permissible, motion for approval/rejection of funding request, execute resolution, and approve of minutes assoc. with resolution. Ranson's settlement amount is modest, so Council's intent is to hold all settlement funds until we have identified a larger-scale epidemic initiative to divert all funds to.

2025 Qualified Settlement Fund Expenditure Report

July 1, 2023 - June 30, 2024

City of South Charleston

Generated on July 15, 2025

Report # 146

County: Kanawha
Region: Region 5
Government Contact: Kris Taylor, Assistant City Treasurer

Did municipality/county report implementing internal controls or policies regarding opioid settlement funds?

Yes

Per State Auditor's Office requirements, did municipality/county open a separate bank account for opioid settlement funds?

Yes

What is the municipality/county's self-reported process for deciding how opioid settlement funds are disbursed and/or distributed?

The City of South Charleston allocates opioid settlement funds through City Council resolution, following public input and Finance Committee recommendations. Funds are awarded to approved projects that align with MOU guidelines, and disbursed upon receipt of verified documentation. Monthly expenditure reports are provided to City Council.

Amount Government Reported Received 7/1/23 - 6/30/24:	$663,465.59
Amount Government Reported Expended 7/1/23 - 6/30/24:	$345,579.70
Balance Government Reports Remaining 6/30/24:	$317,885.89

Expenditure Details:

Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
Pollen *	$27,624.28	Provide employment training or educational services for persons in treatment for or recovery from OUD and any co-occurring SUD/MH conditions.	Reimbursement-Based Grant	Pollen8, Inc. - $50,000.00 for administrative support salaries for the programs that directly manage the job training and addiction treatment programs for persons recovering from Opioid addiction.	The expenditure supported staffing necessary to manage and deliver job training and addiction treatment services, resulting in improved program coordination, increased participant engagement, and more efficient support for individuals recovering from opioid addiction.

The data on this page was submitted directly by local governments and reflects their self-reported use of settlement funds. The West Virginia First Foundation does not verify, validate, or audit individual submissions and is not authorized to direct how funds are spent by local government entities.

2025 Qualified Settlement Fund Expenditure Report

July 1, 2023 - June 30, 2024

City of South Charleston

Generated on July 15, 2025

Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
City of South Charleston	$292,955.42	Ensure appropriate resources for law enforcement to engage in enforcement and possess adequate equipment, tools, and manpower to address complexity of the opioid problem.	Reimbursement-Based Grant	City of South Charleston – Police Department – $400,000.00 for support of illegal drug enforcement efforts and school resource officers, including the full cost of service.	The expenditure enhanced public safety by fully funding officers dedicated to illegal drug enforcement and school resource duties, leading to increased drug-related arrests, stronger community policing, and improved safety and support within local schools.
Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
Heart and Hand Outreach Ministries	$25,000.00	Engage and support non-profits, faith-based communities, and community coalitions to support, house, and train people in treatment and recovery and support family members	Direct Grant	3.Heart and Hand Outreach Ministries - $25,000.00 for support of Social Worker Case Manager to manage efforts to connect persons dealing with the effects of Opioid addition to resources available in the community for support and treatment. (B. 10 and C. 15)	The expenditure enabled Heart and Hand Outreach Ministries to provide dedicated case management support, resulting in more individuals affected by opioid addiction being successfully connected to community resources, treatment programs, and ongoing support services.

2025 Qualified Settlement Fund Expenditure Report

July 1, 2023 - June 30, 2024

City of Charleston

Generated on July 15, 2025

Report # 149

County: Kanawha
Region: Region 5
Government Contact: Andy Wood, Finance Director

Did municipality/county report implementing internal controls or policies regarding opioid settlement funds?

Yes

Per State Auditor's Office requirements, did municipality/county open a separate bank account for opioid settlement funds?

Yes

What is the municipality/county's self-reported process for deciding how opioid settlement funds are disbursed and/or distributed?

Currently, all funds distributed have gone to continuing City positions that had grants expired. Distributions were approved by City Council

Amount Government Reported Received 7/1/23 - 6/30/24:	$4,204,398.49
Amount Government Reported Expended 7/1/23 - 6/30/24:	$500,000.00
Balance Government Reports Remaining 6/30/24:	$3,704,398.49

Expenditure Details:

Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
City of Charleston CARE Office Fund	$500,000.00	Provide comprehensive wrap-around services to individuals with OUD and any co-occurring SUD/MH conditions, including housing, transportation, education, jobs, etc.	Internal Costs	The City established a Quick Response Team under the City's CARE Office in 2019 that includes 2 positions. Grants for the 2 positions expired in September 2023 and this funding allows for continuation of those positions through FY 2026. The City established a Mental Health Coordinator in 2020. Grant Funding for it expired in May 2024. This funding allows for continuation of this position through FY 2026.	Continued funding for staff to respond and refer individuals to treatment.

Additional Notes / Remarks: None.

The data on this page was submitted directly by local governments and reflects their self-reported use of settlement funds. 2025 Qualified Settlement Fund Expenditure Report

July 1, 2023 - June 30, 2024

City of St. Albans

Generated on July 15, 2025

Report # 57

County: Kanawha
Region: Region 5
Government Contact: Molly Quentrill, Treasurer

Did municipality/county report implementing internal controls or policies regarding opioid settlement funds?

No

Per State Auditor's Office requirements, did municipality/county open a separate bank account for opioid settlement funds?

No

What is the municipality/county's self-reported process for deciding how opioid settlement funds are disbursed and/or distributed?

The Opioid Funds are in a separate bank account that is monitored and reconciled monthly. The procedures for the funds still follow state procurement guidelines and thresholds. The procedure is to make sure the item is a qualified use, then proceeds to finance committee for initial approval and then on to city council for final finance approval.

Amount Government Reported Received 7/1/23 - 6/30/24:	$330,266.25
Amount Government Reported Expended 7/1/23 - 6/30/24:	$95,643.86
Balance Government Reports Remaining 6/30/24:	$234,622.39

Expenditure Details:

Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
Walker Chrysler Dodge Jeep Ram	$90,643.86	Ensure appropriate resources for law enforcement to engage in enforcement and possess adequate equipment, tools, and manpower to address complexity of the opioid problem.	Vendor Payment	The purchase of two vehicles for the St. Albans Fire Department.	The fire department is usually the first on the scene and for medical overdose calls and it was imperative to add two more vehicles to the fleet to achieve a rapid response to opioid medical calls. These vehicles serve the same county, but can also be used in other townships to aid in opioid calls.

July 1, 2023 - June 30, 2024

Marshall County Commission

Generated on July 15, 2025

Report # 5

County: Marshall
Region: Region 1
Government Contact: Betsy Frohnapfel, County Administrator

Did municipality/county report implementing internal controls or policies regarding opioid settlement funds?

Yes

Per State Auditor's Office requirements, did municipality/county open a separate bank account for opioid settlement funds?

Yes

What is the municipality/county's self-reported process for deciding how opioid settlement funds are disbursed and/or distributed?

Funding requests are initially submitted to the County Administrator for a cursory review and to make sure they meet funding criteria. If they meet criteria and do not have glaring issues, the requests get submitted to Commissioners for their review. Submissions are discussed during a public meeting. They may be tabled for further review, sent back to garner additional information or approved at the meeting. Requests are reviewed and approved/denied on an as needed basis.

McDowell County Commission

Generated on July 15, 2025

Report # 88

County:	McDowell
Region:	Region 6
Government Contact:	Jennifer Hopkins-Wimmer

Did municipality/county report implementing internal controls or policies regarding opioid settlement funds?

Yes

Per State Auditor's Office requirements, did municipality/county open a separate bank account for opioid settlement funds?

Yes

What is the municipality/county's self-reported process for deciding how opioid settlement funds are disbursed and/or distributed?

The McDowell County Commission established an application process for outside agencies to request funding. However, internal county departments, such as the Sheriff's Office, may receive funding directly with the approval of the County Commission, without needing to complete the external application. This exception allows the Commission to respond efficiently to the operational and emergency needs of internal agencies.

Yes

What is the municipality/county's self-reported process for deciding how opioid settlement funds are disbursed and/or distributed?

This is still pending. However, we would like to locate a "reasonable priced" therapist or counselor to implement a sort of "12 step program" to meet with the community regarding any form of addictions at least once a week or until the funds are exhausted.

Amount Government Reported Received 7/1/23 - 6/30/24:	$1,638.62

Town of Bramwell

Generated on July 15, 2025

Report # 92

County:	Mercer
Region:	Region 6
Government Contact:	Grant Bennett, Mayor

Did municipality/county report implementing internal controls or policies regarding opioid settlement funds?

Yes

Per State Auditor's Office requirements, did municipality/county open a separate bank account for opioid settlement funds?

No

What is the municipality/county's self-reported process for deciding how opioid settlement funds are disbursed and/or distributed?

*Note: The Town of Bramwell only received $189.65. These funds were insufficient to open a seperate bank account with the town's bank without incurring a minimum balance penalty. The State Auditor's Office concurred that it was not prudent to open a separate account for these funds at this time.Current process to decide on use of funds is to discuss options in open meeting and vote on expenditures. No funds have been expended to date.

Amount Government Reported Received 7/1/23 - 6/30/24:	$189.65

2025 Qualified Settlement Fund Expenditure Report

July 1, 2023 - June 30, 2024

City of Princeton

Generated on July 15, 2025

Report # 52

County: Mercer
Region: Region 6
Government Contact: Mike Webb, City Manager

Did municipality/county report implementing internal controls or policies regarding opioid settlement funds?

Yes

Per State Auditor's Office requirements, did municipality/county open a separate bank account for opioid settlement funds?

Yes

What is the municipality/county's self-reported process for deciding how opioid settlement funds are disbursed and/or distributed?

City Manager and City Attorney receive requests and examine MOU to determine proper application. Applicable requests are submitted to Council, where the amount and extent of funding is determined and acted upon through a roll-call vote. Activity is recorded and reported as part of monthly financial reports in both Finance Committee meetings and City Council meetings. Recipients regularly report to Council on impact of funding that they have received to assist with future funding requests.

Amount Government Reported Received 7/1/23 - 6/30/24:	$583,690.00
Amount Government Reported Expended 7/1/23 - 6/30/24:	$447,291.00
Balance Government Reports Remaining 6/30/24:	$136,399.00

Expenditure Details:

Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
Princeton Police Department	$95,580.00	Ensure appropriate resources for law enforcement to engage in enforcement and possess adequate equipment, tools, and manpower to address complexity of the opioid problem.	Internal Costs	Funds were requested to allow the Princeton Police Department to purchase two new police cruisers for the maintenance of existing aging fleet in an effort to adequately equip patrol officers.	Two new police cruisers were purchased and fully equipped to ensure safe and proper transport of detainees.

2025 Qualified Settlement Fund Expenditure Report

July 1, 2023 - June 30, 2024

City of Princeton

Generated on July 15, 2025

Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
City of Princeton	$351,711.00	Ensure appropriate resources for law enforcement to engage in enforcement and possess adequate equipment, tools, and manpower to address complexity of the opioid problem.	Internal Costs	To provide restitution to the City for past expenditures on opioid abatement and needs of law enforcement.	Recouping the funds related to prior expenses improved the health of our General Fund by offsetting costs of lease-purchase agreements that had previously been relied upon for properly maintaining law enforcement needs. Furthermore, the additional funding has provided opportunity to consider future investment in adequately equipping our police force.

Additional Notes / Remarks:

2025 Qualified Settlement Fund Expenditure Report

July 1, 2023 - June 30, 2024

Mineral County Commission

Generated on July 15, 2025

Report # 70

County: Mineral
Region: Region 2
Government Contact: Eileen Sindledecker

Did municipality/county report implementing internal controls or policies regarding opioid settlement funds?

Yes

Per State Auditor's Office requirements, did municipality/county open a separate bank account for opioid settlement funds?

Yes

What is the municipality/county's self-reported process for deciding how opioid settlement funds are disbursed and/or distributed?

Mineral County has formed a committee that receives grant requests from the community. The committee will choose from those applicants who best to receive these funds. Those chosen to receive funding will make their presentation to the committee. The committee will make recommendations to the county commissioners for their approval.

Amount Government Reported Received 7/1/23 - 6/30/24:	$591,743.90
Amount Government Reported Expended 7/1/23 - 6/30/24:	$16,000.00
Balance Government Reports Remaining 6/30/24:	$575,743.90

Expenditure Details:

Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
Eastern Regional Family Resource Network, Inc.	$6,000.00	Support school-based or youth-focused programs and strategies that are effective in prevention of drug misuse and prevention of opioid abuse.	Vendor Payment	The program is operable through the SAPT grant. The funding supports the coalition's work and administration. The goal of the coalition is to outreach and implement strategies that affect community level change to prevent substance misuse. The coalition's perimeters and work plan are adjusted to work within the budgeted amount. The more funding the more strategies that can be implemented.	We have not received the final report from this agency.

Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
Monroe County Commission	$177,819.08	Funding for law enforcement officials to curtail the sale, distribution, promotion, or use of opioids and other drugs (including regional jail fees)	Other	Approximately $177,819.08 has been allocated to reimburse Monroe County for jail fees incurred over the past four years. This reimbursement addresses the significant proportion of arrests and associated costs related to substance abuse and opioid misuse.	The reimbursement funds, totaling approximately $177,819.08, have been deposited into a dedicated checking account designated as the "Jail Reimbursement Fund." These funds are exclusively allocated for law enforcement purposes, including but not limited to supplemental overtime compensation, procurement of modern equipment, and other related expenditures. The Jail Reimbursement Fund supports Monroe County's efforts to address opioid and substance abuse-related crimes by enhancing law enforcement presence and providing updated resources to improve operational effectiveness.

The data on this page was submitted directly by local governments and reflects their self-reported use of settlement funds. Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
Monroe County Commission	$25,000.00	Funding for law enforcement officials to curtail the sale, distribution, promotion, or use of opioids and other drugs (including regional jail fees)	Other	These funds are exclusively allocated to support overtime compensation for law enforcement personnel, aimed at combating the sale, distribution, and use of illegal substances and opioids in Monroe County.	These funds have enabled law enforcement officers to undertake additional overtime hours dedicated exclusively to addressing crimes related to illegal substances and opioids in Monroe County.
Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
Aaron Ray	$1,500.00	Funding for law enforcement officials to curtail the sale, distribution, promotion, or use of opioids and other drugs (including regional jail fees)	Vendor Payment	Funds from the Jail Reimbursement Fund were used to purchase a Forward-Looking Infrared (FLIR) camera, enabling Monroe County law enforcement to detect suspects in low-visibility conditions, such as darkness or fog. The FLIR camera uses thermal imaging to identify heat signatures, aiding in suspect searches, surveillance, and evidence detection. For example, it can locate a suspect hiding in a wooded area at night or identify a recently used vehicle in drug-related crimes, enhancing officer safety and operational effectiveness in combating opioid and substance abuse-related offenses.	The FLIR camera, funded by Monroe County's Opioid Settlemtn Fund, enhances drug and opioid raids by detecting heat signatures in darkness or low-visibility conditions, allowing deputies to locate hiding suspects or monitor drug activities discreetly. For example, it can spot a suspect in a nighttime opioid raid or identify a vehicle used in drug transport. This improves raid success and protects deputies by reducing exposure to threats, enabling safer operations without revealing their positions.

2025 Qualified Settlement Fund Expenditure Report

July 1, 2023 - June 30, 2024

Morgan County Commission

Generated on July 15, 2025

Report # 154

County: Morgan
Region: Region 2
Government Contact: Misty Clingerman

Did municipality/county report implementing internal controls or policies regarding opioid settlement funds?

Yes

Per State Auditor's Office requirements, did municipality/county open a separate bank account for opioid settlement funds?

Yes

What is the municipality/county's self-reported process for deciding how opioid settlement funds are disbursed and/or distributed?

Organizations prepare a proposal outlining the person or project for which they are requesting Opioid Funds. The proposal includes objectives and goals, funding requirements, expected outcomes. Organizations present their proposal to the County Commission. After the presentation, Commissioners take a vote to approve or deny the request for Opioid Funds. If approved, the organization receives the funds and begins implementation as per the proposal.

City of Weirton

Generated on July 15, 2025

Report # 37

County: Multiple
Region: Multiple Regions
Government Contact: Mike Adams

Did municipality/county report implementing internal controls or policies regarding opioid settlement funds?

Yes

Per State Auditor's Office requirements, did municipality/county open a separate bank account for opioid settlement funds?

Yes

What is the municipality/county's self-reported process for deciding how opioid settlement funds are disbursed and/or distributed?

The City of Weirton created an application to be completed by potential fund recipients. This application is available on the City's website as well as the City's Facebook page. Applications are sent to the City Clerk. A team has been created to review and approve these applications. The committee includes the City Manager and the City Attorney. Once an application is approved, a resolution is presented to City Council to approve the expenditure.

2025 Qualified Settlement Fund Expenditure Report

July 1, 2023 - June 30, 2024

Pleasants County Commission

Generated on July 15, 2025

Report # 20

County: Pleasants
Region: Region 3
Government Contact: Julie Richard

Did municipality/county report implementing internal controls or policies regarding opioid settlement funds?

Yes

Per State Auditor's Office requirements, did municipality/county open a separate bank account for opioid settlement funds?

Yes

What is the municipality/county's self-reported process for deciding how opioid settlement funds are disbursed and/or distributed?

All requests go to the County Commission for evaluation and approval.

Amount Government Reported Received 7/1/23 - 6/30/24:	$95,812.00
Amount Government Reported Expended 7/1/23 - 6/30/24:	$36,176.00
Balance Government Reports Remaining 6/30/24:	$59,636.00

Expenditure Details:

Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
Stryker Sales	$35,076.00	Support the work of EMS systems including peer support specialists, and or other appropriate services.	Other	Purchased 2 Lucas Devices for both fire departments within the county. These devices deliver high-quality chest compressions at the appropriate rate and depth. This is crucial during an overdose scenario, particularly with opioids, where respiratory failure can occur.	Enhanced the effectiveness of resuscitative efforts during overdose cases.

The data on this page was submitted directly by local governments and reflects their self-reported use of settlement funds. The West Virginia First Foundation does not verify, validate, or audit individual submissions and is not authorized to direct how funds are spent by local government entities.

Putnam County Commission

Generated on July 15, 2025

Report # 56

County: Putnam
Region: Region 5
Government Contact: Tim Hanna, County Manager

Did municipality/county report implementing internal controls or policies regarding opioid settlement funds?

Yes

Per State Auditor's Office requirements, did municipality/county open a separate bank account for opioid settlement funds?

Yes

What is the municipality/county's self-reported process for deciding how opioid settlement funds are disbursed and/or distributed?

A representative from a County entity (Sheriff, EMS Director, etc) or a member of the community will submit their request to the County Commission, in writing, describing in detail, what they are requesting, what it will be used for, and what it will cost (with corresponding quotes). Once the request is received, the County Commission will vote to determine if opioid funds will be allocated to fund the individual request.

Amount Government Reported Received 7/1/23 - 6/30/24:	$1,209,804.25
Amount Government Reported Expended 7/1/23 - 6/30/24:	$43,359.00
Balance Government Reports Remaining 6/30/24:	$1,166,445.25

Expenditure Details:

Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
Stephens Auto Center	$43,359.00	Funding for law enforcement officials to curtail the sale, distribution, promotion, or use of opioids and other drugs (including regional jail fees)	Vendor Payment	The purpose of this expenditure is to provide the Putnam County Sheriff's Department with an additional vehicle that can be used to curtail the sale, distribution, promotion, or use of opioids in Putnam County.	By adding an additional cruiser, more deputies are available to curtail the sale, distribution, promotion, or use of opioids in Putnam County

2025 Qualified Settlement Fund Expenditure Report

July 1, 2023 - June 30, 2024

Town of Middlebourne

Generated on July 15, 2025

Report # 18

County: Tyler
Region: Region 3
Government Contact: DAVID E MYERS

Did municipality/county report implementing internal controls or policies regarding opioid settlement funds?

Yes

Per State Auditor's Office requirements, did municipality/county open a separate bank account for opioid settlement funds?

Yes

What is the municipality/county's self-reported process for deciding how opioid settlement funds are disbursed and/or distributed?

At this current time the Town of Middlebourne does not have a Police Dept. or Officer in which to supply opioid product to citizens in the Town of Middlebourne.

Amount Government Reported Received 7/1/23 - 6/30/24:	$183.87
Amount Government Reported Expended 7/1/23 - 6/30/24:	$30.62
Balance Government Reports Remaining 6/30/24:	$153.25

Expenditure Details:

Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
UNION BANK	$30.62	Expand training for first responders, schools, community support groups and families	Vendor Payment	There were no categories that would fit our expenditure. The only expenditure we have, was used to purchase checks for the separate bank account for the Opioid Settlements. We received a small amount $183.87 and with the guidelines we were not sure this time how to spend the funds to best serve our community.	Once we know what recommendations they have for very small municipalities to use their funding for we will be able to write checks from the account. It was our understanding during the training for reporting that they are working on help clarifying uses for small amounts received from the settlement.

Additional Notes / Remarks: None.

The data on this page was submitted directly by local governments and reflects their self-reported use of settlement funds. The West Virginia First Foundation does not verify, validate, or audit individual submissions and is not authorized to direct how funds are spent by local government entities.

Did municipality/county report implementing internal controls or policies regarding opioid settlement funds?

Yes

Per State Auditor's Office requirements, did municipality/county open a separate bank account for opioid settlement funds?

Yes

What is the municipality/county's self-reported process for deciding how opioid settlement funds are disbursed and/or distributed?

Our funds were in a separate bank account, but the bank was charging a $10.00 a month fee for the account, so after speaking with WV State Auditor's Office, we closed that account and moved funds into the general account. Any funds used must first be approved by majoity vote by Town Council, once it has been established that the use falls under the MOU.

Amount Government Reported Received 7/1/23 - 6/30/24:	$1,069.64

Did municipality/county report implementing internal controls or policies regarding opioid settlement funds?

Yes

Per State Auditor's Office requirements, did municipality/county open a separate bank account for opioid settlement funds?

Yes

What is the municipality/county's self-reported process for deciding how opioid settlement funds are disbursed and/or distributed?

The City of Parkersburg determines who and/or what projects are funded with opioid settlement funds through a budgetary process. Entities or projects proposed for funding are presented by the City Administration to the City Council, who deliberates and approves via resolution. This process is accomplished via public meetings with proper notice in compliance with open meeting requirements under law.

At this time, applicants attend a regularly scheduled public County Commission meeting and discuss their project and the need for funding. The Commission refers to their legal counsel for review prior to committing funds. We plan to create an application for this funding detailing the project and specified use of the funding in the very near future. Applications will be reviewed and also discussed with legal counsel concerning the eligibility before an award is made.

Did municipality/county report implementing internal controls or policies regarding opioid settlement funds?

No

Per State Auditor's Office requirements, did municipality/county open a separate bank account for opioid settlement funds?

No

What is the municipality/county's self-reported process for deciding how opioid settlement funds are disbursed and/or distributed?

Presented to Town Council, Mayor, Police Dept and Accountant. The town of Pineville sends all request for funding to council for review and approval.

Amount Government Reported Received 7/1/23 - 6/30/24:	$87,411.18
Amount Government Reported Expended 7/1/23 - 6/30/24:	$48,325.05
Balance Government Reports Remaining 6/30/24:	$39,086.00

Expenditure Details:

Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
Pineville Police Department Officers	$48,325.05	Ensure appropriate resources for law enforcement to engage in enforcement and possess adequate equipment, tools, and manpower to address complexity of the opioid problem.	Vendor Payment	Additional incentive pay for police officers.	

Additional Notes / Remarks:

Municipality revised report to add additional details after initial report submission.

The data on this page was submitted directly by local governments and reflects their self-reported use of settlement funds. The West Virginia First Foundation does not verify, validate, or audit individual submissions and is not authorized to direct how funds are spent by local government entities.

2025 Qualified Settlement Fund Expenditure Report

July 1, 2023 - June 30, 2024

Town of Oceana

Generated on July 15, 2025

Report # 213

County: Wyoming
Region: Region 6
Government Contact: Dawn Cook, Treasurer

Did municipality/county report implementing internal controls or policies regarding opioid settlement funds?

Yes

Per State Auditor's Office requirements, did municipality/county open a separate bank account for opioid settlement funds?

Yes

What is the municipality/county's self-reported process for deciding how opioid settlement funds are disbursed and/or distributed?

Generally, decisions regarding expenditures from the Opiod Settlement Funds are done through resolutions introduced and voted on by the Town Council and the Mayor. When time is of the essence, and expenditure may occur through an understanding between the Mayor, Town Council, and/or the Treasurer on the use of the funds.

Amount Government Reported Received 7/1/23 - 6/30/24:	$222,712.00
Amount Government Reported Expended 7/1/23 - 6/30/24:	$153,926.00
Balance Government Reports Remaining 6/30/24:	$68,786.00

Expenditure Details:

Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
Oceana Area Chamber of Commerce	$10,000.00	Support school-based or youth-focused programs and strategies that are effective in prevention of drug misuse and prevention of opioid abuse.	Vendor Payment	The expenditure paid for a Drug Awareness Magician, and drug awareness special needs fishing tournament. Also, Police outreach for education and drug awareness at the John Cook Heritage Festival in the Town of Oceana.	The activities will draw in children and give them fun items to take home that will encourage them to stay drug free. The events will also give a chance for law enforcement and first responders to talk to the children which will be a positive interaction for them, so a positive relationship will be strengthened.

The data on this page was submitted directly by local governments and reflects their self-reported use of settlement funds. 2025 Qualified Settlement Fund Expenditure Report

July 1, 2023 - June 30, 2024

Town of Oceana

Generated on July 15, 2025

Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
Joseph Young	$1,500.00	Support school-based or youth-focused programs and strategies that are effective in prevention of drug misuse and prevention of opioid abuse.	Vendor Payment	Say No to Drugs Show.	This fun show will help children become stronger and make better decisions when it come to the use of drugs in the present and in the future.
Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
Town of Oceana	$8,000.00	Provide resources to staff government oversight and management of opioid abatement programs.	Internal Costs	Funds transfer to cover urgent, emergency shortages. Funds have since been returned to account in full.	The expenditure from the Opiod Settlement Fund account covered a temporary shortage for the town, and was fully returned after the fiscal year end.
Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
Town of Oceana	$26,285.00	Provide resources to staff government oversight and management of opioid abatement programs.	Internal Costs	Emergency funds transfer to cover an urgent shortage. Funds were returned in full in the following fiscal year.	The funds transfer allowed the town to cover an urgent, temporary shortage and was replaced fully.
Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
Town of Oceana	$4,120.00	Provide resources to staff government oversight and management of opioid abatement programs.	Internal Costs	Funds were transferred in error and replaced shortly.	Funds were unintentionally transferred out and were transferred back in full as soon as it was noticed.
Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
Town of Oceana	$32,200.00	Provide resources to staff government oversight and management of opioid abatement programs.	Internal Costs	Emergency funds transfer to cover urgent shortage. Payments have been made toward replacement of funds in total.	Emergency shortages were covered, and the expenditure is in the process of being completely restored.

The data on this page was submitted directly by local governments and reflects their self-reported use of settlement funds. The West Virginia First Foundation does not verify, validate, or audit individual submissions and is not authorized to direct how funds are spent by local government entities.

2025 Qualified Settlement Fund Expenditure Report

July 1, 2023 - June 30, 2024

Town of Oceana

Generated on July 15, 2025

Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
Freedom Bank	$20,000.00	Support the work of EMS systems including peer support specialists, and or other appropriate services.	Internal Costs	Principal payment on a fire rescue truck.	The purchase of a new fire rescue truck for the Volunteer Fire Department enables the department to provide better first response to emergency situations involving individuals struggling with OUD and other substance use disorders/mental health disorders, and emergency situations caused by these individuals.

Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
Oceana Volunteer Fire Department	$10,000.00	Support the work of EMS systems including peer support specialists, and or other appropriate services.	Internal Costs	Purchase of a replacement Air Bag Rescue System	The replacement Air Bag System will enable the fire department to save more individuals who are trapped in an emergency. This will assist in the survival rate for all individuals, including those who are affected by OUD and other addictions who may account for a larger number of these cases.

The data on this page was submitted directly by local governments and reflects their self-reported use of settlement funds. 2025 Qualified Settlement Fund Expenditure Report

July 1, 2023 - June 30, 2024

Town of Oceana

Generated on July 15, 2025

Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
Town of Oceana	$25,750.00	Funding for law enforcement officials to curtail the sale, distribution, promotion, or use of opioids and other drugs (including regional jail fees)	Internal Costs	Funds were expended to the Police, the Municipal Judge, and the others who worked with the Municipal Judge during court proceedings.	The expenditure is an incentive payment for law enforcement and support personnel who all have many encounters with those who have OUD and other drug or mental health conditions.
Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
Town of Oceana	$10,586.00	Funding for law enforcement officials to curtail the sale, distribution, promotion, or use of opioids and other drugs (including regional jail fees)	Internal Costs	This expenditure is part of the incentive payment paid to law enforcement and related personnel.	This expenditure is to pay the payroll taxes for the incentive payments made to law enforcement and support personnel, and which are listed elsewhere in this report.
Recipient:	Amount Expended:	Approved Use Category:	Expenditure Terms:	Disbursement Purpose	Outcomes
Uncle Toms Loans	$1,948.00	Ensure appropriate resources for law enforcement to engage in enforcement and possess adequate equipment, tools, and manpower to address complexity of the opioid problem.	Vendor Payment	Equipment for the Oceana Police Department, including needed guns and ammunition, was purchased.	The Oceana Police Department was able to use the equipment/supplies to continue to perform necessary work and have the tools needed to deal with those in the community who have OUD and other substance use disorders/mental health conditions.

The data on this page was submitted directly by local governments and reflects their self-reported use of settlement funds. April 1, 2025

Dear Local Government Leadership:

We hope you are having a fantastic year so far! West Virginia First Foundation (WVFF) is now accepting the **required** annual financial reports regarding the use of West Virginia First Qualified Settlement Fund ("QSF") expenditures as outlined in section C(13) of the Memorandum of Understanding ("MOU").

Reports will be due no later than **April 30, 2025** and will cover the period from July 1, 2023 to June 30, 2024. We will be collecting updated contact information from your county or municipality and information about each expenditure made from QSF funds. You will need to provide information about the recipients of QSF funds, which 'Approved Use' category each expenditure could be classified under, and impact information measuring or describing the progress of approved use strategies. Instructions for reporting through our online WV-SUMMIT platform are included with this letter.

To support your reporting process, WVFF will offer two online training sessions, outlined below, providing a step-by-step walkthrough of the reporting requirements. While attendance is optional, participation is encouraged for those seeking additional guidance. Each session will cover the same material, allowing you to choose the date and time that best fits your schedule.

- Wednesday, April 9, 2025 10:00 AM – 11:00 AM
- Wednesday, April 9, 2025 2:00 PM – 3:00 PM

To register for these training sessions and receive the meeting link, visit this link: https://tinyurl.com/4yj5mupa

Should you have any questions, please contact **finance@wvfirst.org**.

Sincerely,

Anthony Woods
Chief Financial Officer

Re: Second Notice – Annual Qualified Settlement Fund Reporting Requirement

Dear County and Municipal Leadership:

You are receiving this letter because, as of today, the West Virginia First Foundation has not received your annual report detailing Qualified Settlement Fund (QSF) expenditures for the reporting period of July 1, 2023, through June 30, 2024.

This is the second communication regarding this requirement. An initial letter, including detailed instructions and login information, was sent to all counties and municipalities on April 5, 2025.

Per the Memorandum of Understanding governing the opioid settlement, every county commission and municipality receiving opioid settlement funds must submit Qualified Settlement Fund expenditure reports to the West Virginia First Foundation via our online portal. The deadline to submit this report to the Foundation was April 30, 2025. Even if your municipality or county did not expend any opioid settlement funds from July 1, 2023 – June 30, 2024, you must still submit a 'no-expenditure' report to the Foundation.

Be advised that reporting uses of opioid settlement funds to the Foundation is required by the Memorandum of Understanding approved by the courts. Failure to report could result in disqualification from future funding opportunities.

Enclosed please find login information for your county or municipality and instructions on how to log in and get started. Please visit this link for a recorded training video on how to utilize the portal: [https://bit.ly/3S8OfrA]

If you believe you are receiving this letter in error and you have submitted a report to us, please e-mail finance@wvfirst.org. If you saved your report backup file that was generated upon your submission, we may be able to recover your report. Alternatively, you can log back in to the portal and submit again.

Thank you for your attention to this matter. Should you have any questions or concerns, please e-mail finance@wvfirst.org.

Sincerely,

Anthony Woods
Chief Financial Officer

2024 Opioid Qualified Settlement Fund Reports Not Received

WVFF Finance <finance@wvfirst.org> Mon, Jun 16, 2025 at 11:52 AM
To: finance@wvfirst.org

Good morning,

You are receiving this e-mail as our records indicate your municipality or county has not yet submitted an expenditure report to the West Virginia First Foundation detailing uses of Qualified Settlement Funds from the opioid settlement. Reports were due to the Foundation by April 30, 2025.

We have previously sent out letters to municipalities and counties with instructions on how to report and credentials to access the reporting portal. Should you need instructions/credentials, please contact us at finance@wvfirst.org.

While the Foundation does not oversee uses of Qualified Settlement Funds in the traditional sense, Section C(13) of the Memorandum of Understanding requires that municipalities and counties submit reports on how opioid settlement funds were spent. Failure to provide a report to the Foundation could result in disqualification of future Foundation funding opportunities and could place your municipality or county in non-compliant status regarding the Memorandum of Understanding.

Should you have any questions or would like to know more information on how to report, please contact finance@wvfirst.org directly. Please do not reply-all to this e-mail.

Thank you for your time and please know we're here to assist you! Have a great week,

Anthony M. Woods
Chief Financial Officer
WV First Foundation

Item 3: WV SUMMIT User Manual

West Virginia First Foundation

Instructions for Submitting Annual Qualified Settlement Fund Expenditure Reports in WV-SUMMIT

April 1, 2025

Introduction

Welcome to the instructions for submitting annual Qualified Settlement Fund expenditure reports in the WV-SUMMIT (Settlement Utilization and Monitoring for Measurable Impact and Transparency) portal.

Per the West Virginia First Foundation Memorandum of Understanding, each county or municipality receiving Qualified Settlement Funds (“QSF”) is required to annually report to the Foundation on how those funds were spent. The Foundation is required to compile this information and include it in our annual report.

This manual can assist counties and municipalities in completing this annual report. We estimate that this report will take about 60-90 minutes to complete. We recommend gathering important documentation beforehand related to opioid expenditures such as invoices, contracts, receipts, etc., bank statements, and general ledger reports or information. Additionally, we recommend you consult with stakeholders in your county or municipal government who could provide insight regarding outcomes met and achievements obtained through expenditures.

What Must Be Reported?

We will be collecting the following information from each county or municipality:

- Contact information (and backup contact information) for each county and municipality
- Information about your internal controls and methodology for disbursing Qualified Settlement Funds
- Amounts that you received, amounts that you expended, and the amounts remaining
- Line-item detail about each expenditure made from Qualified Settlement Funds, including: the recipient, the contract terms, the amount paid, the Memorandum of Understanding Approved Use Category, the purpose of each expenditure, and the outcomes experienced by making each expenditure
- If you made expenditures that served more than one county: which counties and the breakdown in totals of expenditures
- Some optional survey questions regarding opioid use disorder (OUD) in your county or municipality
- Certification information and information on who is submitting the report

Accessing the Portal and Report

Step One: Access the Portal Site

In a web browser, navigate to https://wvfirstreporting.com. Edge or Chrome on a desktop are preferred instead of a mobile device.

Step Two: Click “Sign In”

Once the page loads, click the **Sign In** button.

Step Three: Enter username and password from provided credentials and then click “Sign In”

Each local government received a letter with their username and password to access the WV-SUMMIT portal. If you did not receive your credentials, e-mail finance@wvfirst.org. Be sure to identify which county or municipality you represent. Enter your username and password into the login box, then click the **Sign In** button.

Step Four: Click the “Create New QSF Report” button

We obtained e-mail addresses from the Qualified Settlement Fund administrators. Some e-mail addresses may be invalid or correspond to individuals no longer with your county or municipality. You can still submit a report with these credentials – they are connected to your county or municipality. We recommend you contact finance@wvfirst.org to add users or make updates if necessary.

The Annual QSF Report

The QSF Annual Reporting Form is divided into seven parts. Depending on your county or municipality, some parts may be skipped while others should be completed by all governments. Depending on the quantity of information you need to report, we estimate completion of the report will take 30-90 minutes.

Currently, the QSF reporting form does not have the functionality to save midway and return later. You may wish to review the prompts and compile the information in advance so that you may enter data and complete the form in one session. We apologize for this inconvenience and intend to implement this functionality soon.

You will need to report amounts received and expenditures made from **July 1, 2023 – June 30, 2024.** Governments should report receipts and expenditures on the cash basis – in other words, only funds actually and constructively received and expenditures in which cash has been paid. Do not include amounts obligated, encumbered, or contracted unless funds have been actually paid or received.

Part A. Local Government Information and Contact Details

For this first annual report, we are collecting information from local governments to build a contact list. Even if the information we have on file for your government is correct, please take a moment to confirm and update this information to ensure we have the best contact information possible if we need to contact you. Completing this part is **mandatory**.

Name of County/Municipality
Please provide the name of your county or municipality.

Entity County
Please select your county from the dropdown. For those municipalities that span more than one county, scroll to the bottom of the pick list and select **Multiple.** You will need to complete **Part D**.

Name of Mayor/Commission President
Please provide the name of your county's commission president or your municipality's mayor.

Entity Address (Number and Street)
Provide a proper number and address where you can be reached by mail. The city and state are not necessary.

CORRECT: **1200 Municipal Park Drive**
CORRECT: **P.O. Box 1500**
INCORRECT: **1200 Municipal Park Drive Anytown WV**

ZIP Code
Please provide your ZIP code, either five or nine digits.

Contact Name and Title
Provide the name and title of someone within your county or municipality who will serve as the **primary** point of contact/liaison with the West Virginia First Foundation, such as: a mayor, a commissioner, a city manager, a county clerk, etc.

Contact E-Mail
For the individual you have identified above, please provide their e-mail address.

Contact Phone Number
For the individual you have identified above, please provide their phone number.

Backup Contact Name and Title
Provide the name and title of someone within your county or municipality who will serve as the **secondary or backup** point of contact/liaison with the West Virginia First Foundation in the event the primary contact is unavailable. You may designate anyone you wish: a mayor, a commissioner, a city manager, a county clerk, etc.

Backup Contact E-Mail
For the backup individual you have identified above, please provide their e-mail address.

Backup Contact Phone Number
For the backup individual you have identified above, please provide their phone number.

Part B. Financial Controls

It is important that each local government implements effective internal controls regarding the receipt and disbursement of opioid settlement funds. Completing this part is **mandatory**.

Effective Internal Controls
Check this box to confirm that your county or municipality has implemented effective internal controls. **If your county or municipality has not implemented effective internal controls regarding the receipt and disbursement of QSF funds, do not check this box.**

Effective internal controls:

- Set a 'tone at the top' of ethical behavior
- Set goals for the protection of financial assets and the quality of financial reporting and identify risks that may prevent the accomplishment of those goals
- Outline business processes and control activities that allow governments to respond to those risks
- Provide a mechanism to inform employees, elected officials, and other stakeholders of the process
- Continually evaluate the effectiveness of the process and adjust as necessary

If you have not implemented effective internal controls, make plans to do so as soon as possible. The Foundation will soon be publishing additional information on how local governments can implement controls for qualified settlement funds.

Separate Bank Account
Check this box to confirm that your county or municipality is maintaining the QSF funds in a separate bank account. The State Auditor's Office requires these funds to be placed in a

separate account. This allows for easier reporting and recordkeeping and allows funds to remain segregated.

> **If you have not deposited QSF funds into a separate bank account, make plans to do so as soon as possible. Avoid commingling opioid settlement funds with other funds.**

Current Disbursement Process
Briefly outline your current process and procedure in which your municipality or county decides on the projects funded and how the funds are expended. A maximum of 500 characters is permitted in this field.

EXAMPLE: **Example County launched a grant application process to allow nonprofits to apply for opioid settlement funds. We appointed a four-member panel (two commissioners, the county clerk, and a member of the public) to review and score applications. Funds are awarded on a reimbursement-basis.**

Part C. Amounts Received and Expended

You will need to detail the amount of QSF funds received and expended from July 1, 2023 – June 30, 2024, and the remaining balance of unexpended funds on June 30, 2024. Completing this part is **mandatory**.

Enter amounts in numeric format with decimals only. Do not include dollar signs or commas.

INCORRECT:	**$1,000.00**
INCORRECT:	**1,000.00**
INCORRECT:	**$1000.00**
CORRECT:	**1000.00**

Amount Received
Include all distributions you received from the QSF. If you have invested QSF proceeds and earned interest, include any interest earned.

Amount Expended
Provide the amount of QSF funds you expended (on the cash basis).

Amount Remaining

Provide the amount of QSF funds you had on hand and unexpended as of June 30, 2024, even if otherwise encumbered or obligated.

Part D. Multi-County and Multi-Region Expenditure Breakdown

Some local governments, particularly municipalities which span more than one county or counties that made expenditures for the benefit of one or more counties, might need to report expenditures for more than one county. You will report this in Part D.

If you only made expenditures for the benefit of one county, you may skip Part D and proceed to Part E.

For the purposes of reporting, expenditures are considered benefitting a county if the expenditures were an Approved Use as defined in the Memorandum of Understanding and were primarily expended within a particular county.

EXAMPLE: **Half of Example City's city limits are within Demonstration County and the other half is within Illustration County. Example City received $100,000 in QSF funds during the reporting period and grants $50,000 to each county health department. Example City will report $50,000 expended in Demonstration County and $50,000 expended in Illustration County.**

EXAMPLE: **Example County received $100,000 in QSF funds. Example County spent $80,000 to improve Example County's child advocacy center. Since there are no treatment facilities in Example County, but much of Example County's population receives treatment in neighboring Demonstration County, Example County grants $20,000 to Demonstration County's treatment facility. Example County would report $80,000 expended in Example County and $20,000 expended in Demonstration County.**

As always, report expenditures on the cash basis and only report actual amounts expended, not obligated, encumbered, or committed.

County A – Select
Select one county where expenditures were made.

Amount Expended in County A
Enter the amount of expenditures made in that county. Enter amounts in numeric format with decimals only. Do not include dollar signs or commas.

INCORRECT:	**$1,000.00**
INCORRECT:	**1,000.00**
INCORRECT:	**$1000.00**
CORRECT:	**1000.00**

County B – Select
Select the other county where expenditures were made.

Amount Expended in County B
Enter the amount of expenditures made in the other county. Enter amounts in numeric format with decimals only. Do not include dollar signs or commas.

If you have made expenditures in greater than two counties, please separately detail all expenditures made by each county and e-mail this supplementary document to finance@wvfirst.org. Be sure to include the name of your county or municipality.

Part E. Detailed Listing of Expenditures

In this section, you will detail expenditures made from opioid settlement funds. You will need to select the Approved Use category that best fits the nature of the expenditure, detail the amount expended and the manner of the arrangement, and identify the name of the recipient. You will additionally need to briefly describe the purpose of the expenditure and the outcomes achieved by making the expenditure.

If you did not make any expenditures from July 1, 2023 – June 30, 2024, check the box above the data table that states you made no expenditures then skip to Part F.

You will detail your expenditures by adding to the data table. Add a new row for each recipient or category of expenditure.

To add to the data table:
Complete all applicable fields then click **Add Row.**

To edit an entry already added to the data table:
Click the **Edit** button (marked with a pencil) for the applicable data row.

To delete an entry added to the data table:
Click the **Delete** button (marked with an X) for the applicable data row.

Name of Recipient
Identify the recipient of QSF funds. This could be a corporation name, nonprofit name, individual name, or other identifier. If you provided funds to a city or county division or department and that department expended QSF funds directly, enter the recipient department.

EXAMPLE: **The Example County Commission provided $50,000 to the Example County Sheriff's Office to purchase a new cruiser. Example County would enter the Example County Sheriff's Office as a recipient.**

WV Entity
If the recipient was a West Virginia entity (domiciled or headquartered in West Virginia) check this checkbox.

Approved Use Category
Select the Approved Use Category of the expenditure. For brevity, category descriptions are not included. See the Memorandum of Understanding's Approved Use Exhibits located here for a more detailed description of each category.

Amount Expended
Enter the amount expended to the recipient for the Approved Use Category. Enter amounts in numeric format with decimals only. Do not include dollar signs or commas.

INCORRECT:	**$1,000.00**
INCORRECT:	**1,000.00**
INCORRECT:	**$1000.00**
CORRECT:	**1000.00**

Select Contract Terms
From the pick list, select the terms of the contract: Vendor Payment, Direct Grant, Reimbursement-Based Grant, Internal Costs, Loans, or Other.

Purpose of Expenditure
Briefly describe the purpose of the expenditure in detail. Why was the expenditure made? What need was identified? What problems were you trying to solve?

Outcomes of Expenditure
What did you accomplish by making the expenditure? What goals or objectives did you accomplish? What impact did this expenditure have on key metrics (overdose rate, etc.)?

Part F. Optional Survey Questions

This part is optional. We have presented five questions for response. We would appreciate your feedback and input as we develop a statewide needs-based assessment.

Part G. Certification and Submission

In this section, you will certify your responses and provide information regarding the person completing the report.

Certification Check Box
Click this check box to certify that all information submitted in the report is accurate and complete to the best of your knowledge and that all expenditures made by your municipality or county were for an Approved Use as detailed in the West Virginia First Foundation Memorandum of Understanding.

Name of Person Submitting Report
Enter the name of the person completing and submitting the report.

Title of Person Submitting Report
Enter the title of the person completing and submitting the report.

Submitting the Report

Click the **Submit** button to submit the report. You will be redirected to a closing screen where you can then click **Sign Out** to sign out of the WV-SUMMIT system.

The system will download a submission receipt. This will be a text file. This contains an encoded version of your report. Be sure to retain a copy of this file. If there was an issue submitting your report to the system this receipt file contains information that may allow us to recover your report. If this is the case, we will contact you via e-mail to send this file to us, potentially saving you from having to redo the entire report.

Be sure to save the submission receipt that's downloaded in a safe place on your computer. If there is an issue with your report submission, that file may help us recover the data you entered.

Welcome to the West Virginia Qualified Settlement Fund Annual Reporting Form

Welcome to the Local Government Qualified Settlement Fund Annual Reporting form. Section C(13) of the West Virginia First Foundation Memorandum of Understanding requires each local government receiving Qualified Settlement Funds (QSF) to file an annual report with the Foundation detailing use of the funds.

On this form, you will report opioid settlement funds received and expended from July 1, 2023 to June 30, 2024. Additionally, there are several optional and voluntary questions at the conclusion of this report that you may answer if you wish.

You will not yet be able to save this report and return to it later. We are working on implementing functionality to save and return to reports in the future, but at this time the report will need completed in one session. We estimate the report will take 30-90 minutes to complete and submit. You may wish to gather source documents and compile the information, then enter the information into this form all at once.

Should you have any questions, please contact finance@wvfirst.org.

Part A. Local Government Information and Contact Details

Please confirm the information below, making changes as necessary. As this is the first report you'll be submitting to the Foundation, we are building a contact list. The contact that you designate will be the contact for QSF matters for the West Virginia First Foundation. Additionally, you may designate an optional backup contact. The contacts may be anyone you wish to designate (Mayor, City Manager, County Commissioner, County Manager, etc.)

Name of County/Municipality

Entity County

Select a county. If you are a municipality spanning multiple counties select Multiple.

Name of Mayor/Commission President

Jane Doe, Mayor

Entity Address (Number and Street)

123 Main Street

Do not enter city, state or zip in this field.

ZIP Code

Contact Name

John Doe, City Manager

Enter the name and title of a person at your entity who will serve as point of contact for QSF reporting.

Contact E-Mail

Contact Phone Number

Backup Contact Name (optional)

Jane Backup, Finance Manager

Enter the name and title of a backup contact. This field is optional.

Backup Contact E-mail (optional)

Backup Contact Phone Number (optional)

Part B. Financial Controls

Please answer the following questions about your municipality or county's financial controls regarding opioid settlement funds.

- [ ] **Click this checkbox to confirm that your municipality or county has implemented effective internal controls regarding the receipt and disbursement of opioid settlement funds.**

- [ ] **The State Auditor's Office requires that opioid settlement funding be placed in a separate bank account for proper tracking and recordkeeping. Check this checkbox to confirm that your municipality / county opioid settlement funds are in a separate bank account.**

What is the current process and/or procedure in which your municipality or county decides on who/what projects are funded and how opioid settlement funds are expended?

Describe your disbursement process here...

Part C. Amounts Received, Expended, and Remaining

Please enter the amount of opioid settlement funds received from July 1, 2023 - June 30, 2024 in whole dollars. Include interest and earnings on invested funds. Amounts should be reported on the cash basis (i.e. report funds when actually received and expenditures when actually paid. Do not include amounts obligated, encumbered, or contracted unless actually paid.

When entering numeric values, do not include dollar signs or commas. Enter numbers and decimal cents only. For example, the value $1,500.00 should be entered 1500.00.

Amount Received

Amount Expended

Amount Remaining

Part D. Multi-County and Multi-Region Expenditure Breakdown

If you are a municipality that spans more than one county, or if you are a municipality/county which made expenditures that benefitted citizens in more than one county, please provide the breakdown in expenditures by county. If this does not apply to you, you may skip to Part E. When entering dollar amounts, do not include dollar signs or commas. For example, the value $1,500.00 should be entered 1500.

Amount Expended in County B

Part E. Detailed Listing of Expenditures

In this section, you will detail expenditures made from opioid settlement funds. You will need to select the approved use category that best fits the nature of the expenditure, detail the amount expended and the manner of the arrangement, and identify the name of the recipient. Click the 'West Virginia entity' checkbox if costs were internal to your county or disbursed to a West Virginia vendor or entity. Additionally, briefly describe the purpose of the expenditure and the outcomes that were obtained by making the expenditure. You may use the edit and delete buttons to make changes or delete table entries. When entering dollar amounts, do not include dollar signs or commas. For example, the value $1,500.00 should be entered 1500.

☐ **Check this box if you made no expenditures from July 1, 2023 to June 30, 2024 and then skip to Part F. You will not need to complete the Expenditure Listing table.**

Row #	Recipient	Category	Purpose	Amount	Edit	Delete

Part F. Optional Survey Questions

The following questions are optional and completion is voluntary, but completing them assists us in assessing statewide needs. If you choose not to respond to these optional questions, please skip to Part G below.

How well-equipped do you feel your municipality or county is (with current resources) to address the opioid epidemic?

Type response here...

What impact, if any, do you think additional funding may have on your municipality or county in addressing the opioid epidemic?

Type response here...

What responses/programs/strategies to the opioid epidemic in your community do you think are operating well? (Treatment, youth support, law enforcement support, recovery, etc.)

Type response here...

What responses/programs/strategies to the opioid epidemic in your community do you think need further resources or support? (Treatment, youth support, law enforcement support, recovery, etc.)

Type response here...

Is there anything else related to the opioid epidemic or substance abuse disorder that you would like to share with the West Virginia First Foundation?

Type response here...

Part G. Certification and Submission

This concludes the annual report. Please certify the report below and click the Submit button to submit your report.

Once you have submitted a report, the portal will download a text file. Be sure to retain this text file in a safe place. It contains a compressed copy of the report you are submitting. If there are any issues with the portal, we may be able to use this file to recover the report you have submitted.

☐ **By checking this checkbox, the submitter certifies that all information submitted in this report is accurate and complete to the best of his/her knowledge and that all expenditures made by the municipality or county were for an Approved Use as detailed in the West Virginia First Foundation Memorandum of Understanding.**
